

**MISSION:** Our mission is to proactively promote and support successful integration of immigrant and local community members in Northwest Colorado through education, intercultural exchange, and collaboration to build a more united community where its members can communicate, participate and contribute. “Our clients are not only the non and limited English speaking community members but also the medical providers, agencies, services and business owners who are in need of linguistic and cultural support.”

## WE ARE MOVING TO 443 OAK STREET

Just 2 blocks from our home of eight years. We will be on the corner of 5th and Oak as soon as August 3rd !

At the beginning of 2015, Integrated Community learned that its office space was being torn down to accommodate the Methodist Church expansion. After eight years at the same location we began our search for a new home. We partnered with Routt County United Way and found a group of donors who were interested in helping both organizations to purchase a building at 443 Oak Street. Thanks to their generosity both organizations will continue to enjoy low expenses and are making plans for a future non-profit center.

Thanks to many volunteers and business friends, we have cleaned, painted, polished and renewed much of the interior and are ready to move in and start seeing clients!

We still have exterior painting to do this summer/fall and we plan to do so in a festive manner! We already have willing partners who will be supplying equipment and expertise to tackle the high points. Please let us know if you'd like to come by with a brush and help us brighten up the remainder of the building!

It's going to be a community effort!!

**Meet our new Education Coordinator!**

Erin Swanson went to school at CSU with majors in Spanish and International Studies in Latin America. She comes to us from Denver, having lived in Steamboat since February of this year. She studied abroad in Spain, lived in Chile and Argentina while working at a fly fishing lodge and then taught English as a Second Language (ESL) to adults and children in Cusco, Peru. After returning to the United States she has taught 3rd grade, high school Spanish and K-8 Spanish. She loves to ski, hike, fly fish and mountain bike as well as road bike.

Erin says, “ I am looking forward to meeting more people in the community and helping through education and integration of community members across NW Colorado!”
